

## FAMILY HISTORY

Sketch of my life - Elizabeth Anderson Moulton

(My Elizabeth Moulton)

I was born in Heber Utah Sept. 11, 1876 in a little log cabin in the east part of town.

There was a lean to shanty where we stored our coal stoves during the summer months. My parents were Gustav Ludwig Anderson (of Swedish descent) and Elizabeth Steed and Aird Anderson (of Scotch descent).

I had five brothers and four sisters. My first years at school were spent in a little school house a block east of main street. Instead of desks like they have these days there were long tables with boards to sit on on either side of the table; instead of paper, writing tablets with lead pencils to write with; we had slates and slate pencils. I remember other years my school days were spent in a place they called sleepy hollow. Still later in the higher grades I went to a rock school house (where the 1st ward chapel now stands) and where my Uncle Henry Aird taught at that time. By that time there was desks and pencils instead of tables with boards to sit on <sup>to write with</sup> slates with slate pencils.

I went to Sunday school quite regular during my childhood and girlhood days. I remember reciting poems in my classroom, and receiving as prizes (on many occasions) beautiful cards of which I was privileged to select one for myself.

The old home I was born in is now a part of the city.

modern houses of today would seem quite crude without any of the work saving conveniences. I remember carrying numerous buckets of water from a well for our horse hold use. We felt we had a great deal to be thankful for when we finally acquired a water hydrant on the porch. I was baptized in the Church of Jesus Christ of Latter-Day-Saints when I was eleven years old in the year of 1887 in a river near Midway and was confirmed on the same day.

I passed from the eighth grade not long after began going with my keeping company with Thomas W. Moulton. We went together for five years before we were married.

I loved music and belonged to the church choir for many years.

I remember my choir leaders were; George Harbor and John H. Murdock.

I was twenty-two years of age when Thomas W. Moulton and I were married; in the year of 1898, on Oct. 19<sup>th</sup>.

We were married by Bishop Duke, in my father's home. There was a large reception of about one-hundred-fifty guests. We received many beautiful gifts.

We lived in the same house that is now my home. There were only two

## FAMILY HISTORY

the family grew in numbers. There were nine girls and two boys, the younger boys died of pneumonia when he was only two months old.

My husband died at the age of seventy-one in the year of 1944 on the 13<sup>th</sup> day of Feb.

I was sealed (by proxy) to my husband in the Salt Lake Temple on 17<sup>th</sup> Mar. 1950.

Two of my daughters Pearl and Afton were sealed to us, as well as Clifford our infant son who died Feb. 9, 1905, ~~also by proxy~~.

I am now eighty-two years old and have twenty-three grandchildren and ~~more than~~ <sup>twenty</sup> great grandchildren.

Through the many years I have lived here in this same home and location, I marvel at the changes in transportation.

The conveniences I now have. I could have appreciated even more when my children were small and still with me and under my care. How thankful I am for my large family; my ever faithful son, and daughters whose companionship I now so enjoy, especially since my husband has passed away.
